I want to participate to the organ-academy 2014 of the Association des Amis de l'Orgue de Saessolsheim. I send with this inscription 50 Euros, part of the total of 190 euros for the participation (not including sleeping and eating). If it's too complicated to send money from a foreign country, it's possible to pay all in Saessolsheim, but our Association wants in this case in the eventuality of the no-coming of a participant to be informed as soon as possible. In the case of deciding with our association that everything will be payed on place, inscription has not to be by paper-mail, can be in this case by E-mail.

If available, I would like to have a room provided by the association. (exact price given later).
